

Friends of St Giles' – How we respect your privacy

Privacy Notice

July 2016

The information you provide us will only be used by the Friends of St Giles' (FSG) for communicating with you, keeping membership records (including confirming payment of subscriptions by members who have different names as members from their bank account names), processing payments between members' bank accounts and the FSG bank account and for tallying membership records with cash memberships, memberships opened via BT MyDonate, cheque and Standing Order. Beyond these purposes, it will not be passed to other organisations.

It is suggested that members (particularly Standing Order members) actively ask to cancel their membership if they wish to do so. On active cancellation, unless otherwise requested, FSG will archive members' names, addresses and email addresses to record such cancellations in order not to send unwanted communications and in order to analyse the reach and appeal of membership but banking information, held for the purposes above, will be deleted. Members who cancel Standing Orders without notifying FSG may have to wait a period of time before the tallying of membership and payment records detects cancellation and banking information is deleted.

Members sign up for our newsletter emails and St Giles' Easter and Christmas newsletters on joining FSG. We would also like to send you emails from time to time about special events in St Giles' of interest to members. If you do not wish to receive these special event emails, or wish to unsubscribe from newsletter emails and St Giles' Easter and Christmas newsletters (attached to FSG emails), please email stgilesfriends@btinternet.com with the message (header only needed): "unsubscribe/newsletters", "unsubscribe/events" or "unsubscribe all".
